

Field Trip and Informed Consent Form

Risks of field trips:

I understand that allowing my child/children to participate in field trips with Providence Christian School includes risks not found when staying at our center. This includes risks involved in traveling to and from all offsite locations. This also includes risks unique to the activities that are organized by our program. I understand these risks and am willing to accept these risks on behalf of my child.

Arrangements:

I understand that PCS cannot control the acts of the transportation carrier or the businesses where we will be at. I understand the PCS is not responsible for matters that are beyond its control.

Health and Safety:

There are no related health reasons or problems which would restrict my child from participating in these events. I understand that accident/health insurance is my responsibility for my child/children. We are covered by health insurance and assume all risk and responsibility related to emergency treatment.

Transportation:

The nature of each event may determine the mode of transportation. Methods of transportation will be communicated for each trip. When traveling to and from any event, all children are expected to obey the rules of walking, or in a vehicle as written in the parent handbook.

Standards of Conduct:

I have reviewed with my child the rules and expectations. I have informed my child about safety rules for field trips & when traveling.

Fees:

There are fees associated with all off site events. Please refer to each specific itinerary to find out what fees are involved with participation. If your child attends on the day of the event, your child will be required to participate unless approved by directors.

Our staff will do all they can to ensure a safe, common sense and controlled experience to reduce inherent risk.

Parental Permission:

A student must have parental or guardian, written and signed, permission to participate in any field trip events. Without this signed consent, students will not be able to participate in any trips at Providence Christian School.

Parental Consent:

I, _____, parent or guardian of _____
Have read the Informed Consent document that pertains to my dependent's participation in swimming and field trip events. I am aware of the inherent risks and potential consequences that may occur as a result of participating in these events. My signature here indicates that my child has my informed consent to participate in the stated seasonal swimming and/or field trip events.
